ABOUT US

COTE 100 is an independent discretionary portfolio management firm specializing in private wealth management for individuals. Founded in 1988 by Guy Le Blanc, COTE 100 adheres to a long-term investment philosophy based on rigorous security selection. Research revolves around three major themes: financial health, performance, and stock valuation, guided by a proprietary quantitative system called the COTE 100 System. The company also distributes to subscribers the COTE 100 Financial Letter, a monthly newsletter published since 1988 that offers market reviews, a portfolio of stocks based on the COTE 100 System, and recommendations.

As of January 1st, 2025, assets under management amounted to nearly \$3.5 billion, primarily through private management mandates involving Canadian and U.S. equities. For more information, visit www.cote100.com.
